EUROPEAN UNION (BIOCIDAL PRODUCTS) REGULATIONS
BIOCIDAL PRODUCT NOTIFICATION

The Department of Agriculture, Food and the Marine as the Competent Authority for Biocides in Ireland, pursuant to Regulations 9 and 10 of the European Union (Biocidal Products) Regulations 2013 (S.I. 427 of 2013), hereby declare that the Notification Holder:

SANZONATE EUROPE LTD

G2 SWORDS ENTERPRISE PARK, SWORDS, CO DUBLIN, K67 X853

has notified the biocidal product:

Sanzonate Aquaflo Fill Stations

Condition of Notification:

This biocidal product must:

- Adhere to the details provided in the “Application form for Biocidal Product Notification” submitted pursuant to Regulation 9(2) of Statutory Instrument (SI) No. 427 of 2013 and subsequently accepted by the Minister. Any changes to this biocidal product must be notified in advance to the Minister and only when accepted by the Minister may the changes be implemented.
- Bear a label and have instructions for use (either on the label or provided separately, as determined by the Minister) which have been accepted by the Minister and published on the Biocidal Product Register, pursuant to Regulation 19(2) and (3) of SI 427 of 2013.
- Comply with legislative requirements applicable to biocidal products, namely, SI 427 of 2013 and the Chemicals Act 2008, as amended by the Chemicals Act 2010.
